* Lee M. Shaver, Transportation Supervisor

ELEMENTARY AND HIGH SCHOOLS

(By Counties)

The list of elementary and high schools is set up according to the organization of the various counties. Counties are divided into their districts (or area, if the county is one district) and the schools in that district or area are listed alphabetically. District or area superintendents are given at the beginning of each district or area.

The asterisk indicates that the high school is a state accredited high school *and* a member of the Southern Association of Colleges and Secondary Schools. The dagger denotes that the school is a state accredited high school. The double dagger indicates that the school is in the process of becoming state accredited. Telephone numbers are given in parentheses when supplied by the superintendent.
